WAIVER OF RIGHTS - REFUSAL OF MEDICAL ADVICE

I, acknowledge that I have received medical advice which I am refusing.

I understand that by refusing the advice offered, my (or patient, in the case of my being the guardian or agent) condition could change or worsen and that I may suffer injuries which could cause disability or death. I release the following persons and entities from any responsibility or liability for any injury that I might suffer after signing this form including liability in favor of myself or any other person who may be entitled by law to compensation as a result of my injuries:

- 1) Fire Department / Ambulance Service and its employees.
- 2) Advocate Health Care, ACHC and the ACHC Emergency Medical Services System, and their employees.
- 3) Hospital, which was consulted by the Emergency Medical Service (hereafter EMS) personnel for medical control, and its physicians, nurses and employees.

I have placed my initials next to the choice(s) below that describe the advice I have been given and am refusing:

Initials		I do not believe that I am injured and am refusing all medical services, treatment and/or transportation to a medical facility.
Initials		I have been advised that I am ill and/or injured, and that I should receive treatment and transportation to a medical facility, which I decline.
Initials		I have received medical service and have been advised that I should be transported to a medical facility for further evaluation and care, which I decline.
Initials		The medical control physician has recommended that I be transported to Hospital.
		I refuse this advice, and request transportation to Hospital.
Initials		My personal preference is to be transported to Hospital, but have been informed and understand that the responding EMS unit does not transport there. I refuse to be transported to any other hospital, and will wait for another ambulance service to transport me to the hospital of my choice.

I UNDERSTAND THAT I AM WAIVING IMPORTANT LEGAL RIGHTS BY SIGNING THIS FORM

REFUSAL TO SIGN WAIVER

The patient, guardian or agent refused the medical advice described above, and refused to sign the waiver of rights form. I personally witnessed the advice and the refusal, and have placed my initials next to the choices that describe the services offered and refused.

Signature of Witness

ON-SCENE PHYSICIAN

I assume full medical and legal responsibility for the care and treatment of this patient during this encounter and I agree to accompany the patient to the hospital. I agree to direct all treatment administered by the EMS personnel and warrant that I am familiar with the training and capabilities of said personnel.
